

MASTER BODSTERS

Joyful Akin

Akin is so full of energy that he will use drums and rhyme to convey all the joy he derives from just being alive. We are so excited!

Third Eye Dy

Be still and wait for it, Dy's vision is more powerful than we could ever describe

Wise Ana

Ana brings her vision into existence. You could think it's all fun and games but be aware, her training sessions are the most difficult of all. Will you be able to understand what she truly means?
